Fabric requirements, block layout and construction instructions are provided in both sizes.

Fabric Requirements 7" x 8"

Fabric estimates are generated by quilt design software and are based on best use of fabric, it is recommended you buy additional fabric as this is the absolute minimum fabric required.

Pattern Pieces 7" x 8"

Due to the tiny piecing required: some numbering on these pattern pieces has been moved to an adjacent area such as the seam allowance to ensure it is more easily readable!

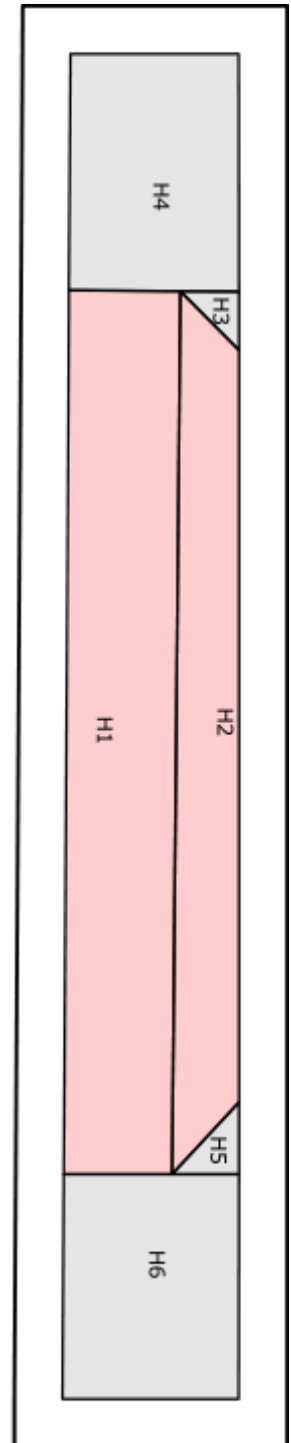

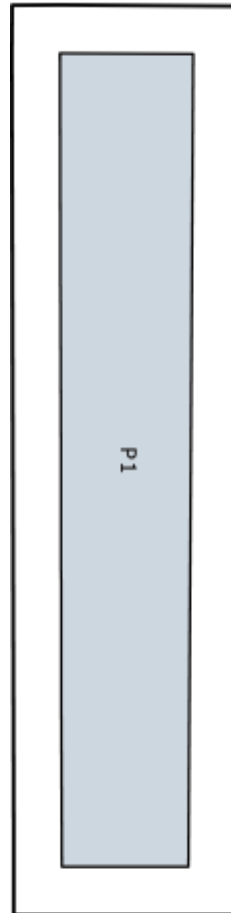

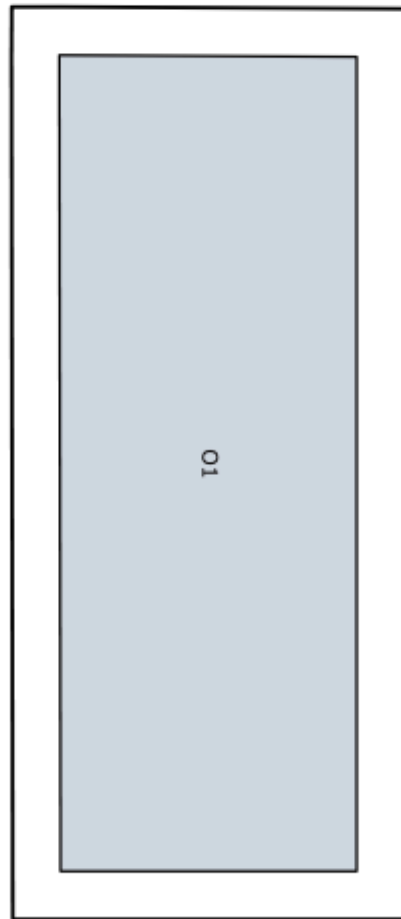

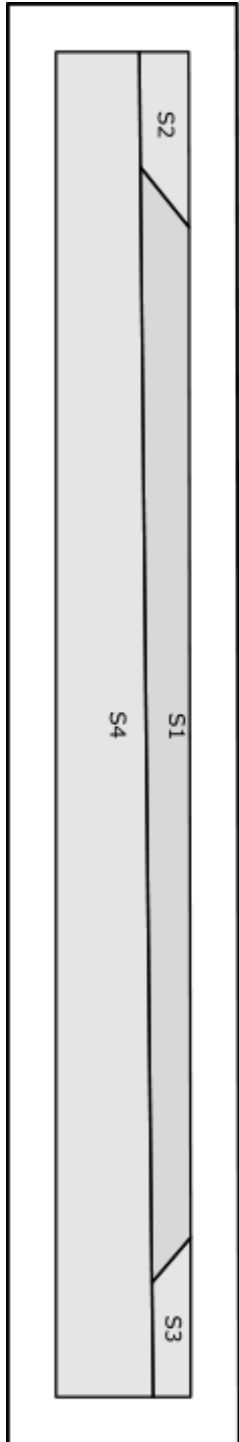

If you don't love tiny piecing you could embroider the word VOTE onto the ballot box!
