

# Block Versatility

©adventurousquilter.blogspot.com Marianne Jeffrey

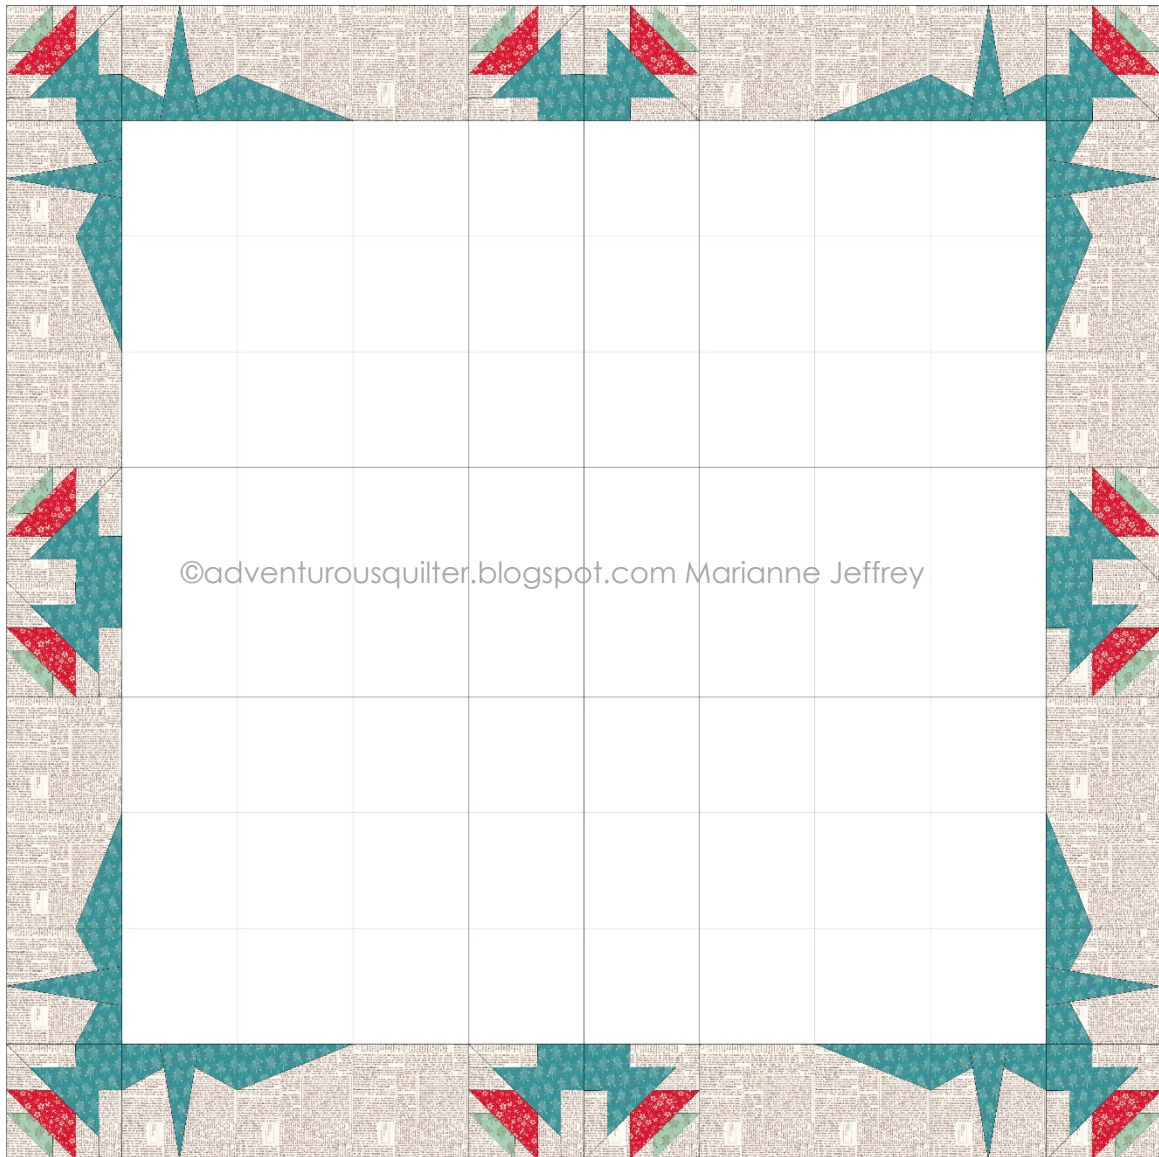

All block patterns for this quilt-a-long have been released December 1 to 18.

December 19 to 25 PDF releases will focus on showing the versatility of these blocks for use in quilt borders.

# December 19

Borders are undoubtedly about framing your quilt center for maximum impact! When you have spent many hours piecing a quilt center it can be tempting to add on simple borders BUT... simple blocks can make high impact borders!

Blocks used: December 1, 2, 10, 10b plus blank background fabric A squares

Note: the coloring of some blocks differs from the original coloring in the quilt center.
