**I love designing
hexagon quilts!**

So many hexagon quilts
are based on very simple
hexagon flowers and
whilst I love them I also
think there are lots of
other great ways to use
hexagons well in design.

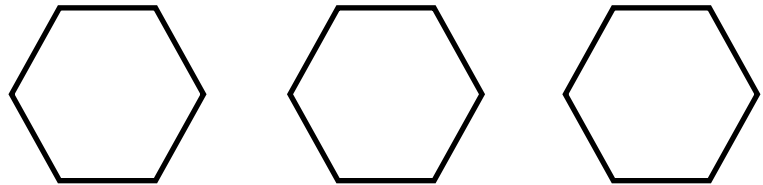

This design is hexagon based!

**I will release one quarter of the
design in each QQA issue this year!**

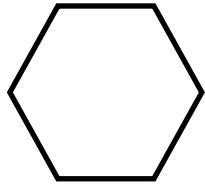

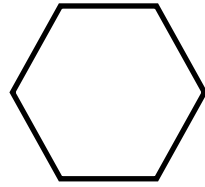

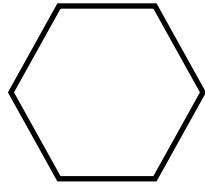

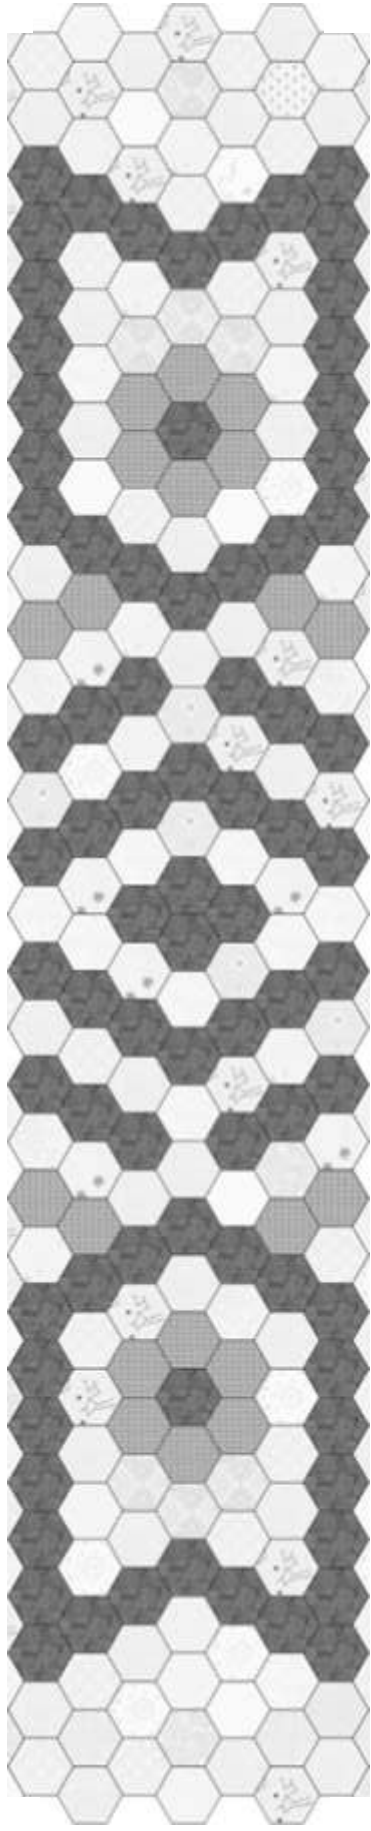

Choose whatever colors you want but I have provided a black and white printable overpage for easier visual reference and ink saving printability!

Choose your own preferred size hexagon or use one of the three options I have provided at the end of the issue.

**Choice of 3 hexagon
template sizes!**

Greyscale Printable

**During quarter one
of 2026 begin the
construction of
this strip which
has just 7 rows!**
